

Terms of Use for Photogrammetry Dataset

This document outlines the terms and conditions under which users of the "3D Scanning Masterclass" ("Users") may access and use the photogrammetry dataset ("Dataset") provided as part of the course. By accessing or using the Dataset, Users agree to comply with the following terms:

1. Permitted Use 1.1. The Dataset is provided solely for educational purposes in connection with the "3D Scanning Masterclass."

1.2. Users may use the Dataset for personal study, practice, and experimentation to enhance their understanding of 3D scanning techniques.

2. Prohibited Uses 2.1. The Dataset may not be used for any commercial purposes, including but not limited to creating or selling products, services, or artwork derived from the Dataset.

2.2. The Dataset may not be used for any personal projects intended for distribution, publication, or monetization.

2.3. The Dataset may not be used to train, develop, or refine artificial intelligence (AI) models or machine learning systems.

2.4. Users may not share, redistribute, sublicense, or otherwise make the Dataset available to any third party.

3. Ownership and Attribution 3.1. The Dataset remains the sole property of Eric Paré Studio Inc. / Xangle and is protected under copyright and intellectual property laws.

3.2. Users must provide attribution when publicly displaying any works that incorporate or are inspired by the Dataset, as follows: "Photogrammetry Dataset provided by Eric Paré Studio Inc. / Xangle."

4. Limitations and Liability 4.1. Eric Paré Studio Inc. / Xangle makes no warranties regarding the Dataset and disclaims all liability for any damages, losses, or issues arising from its use.

4.2. Users assume all responsibility for ensuring that their use of the Dataset complies with these terms.

5. Termination of Access 5.1. Eric Paré Studio Inc. / Xangle reserves the right to revoke access to the Dataset for any User found in violation of these terms.

6. Governing Law 6.1. These terms are governed by and construed in accordance with the laws of [JURISDICTION].

By using the Dataset, Users acknowledge that they have read, understood, and agreed to these terms. Any questions or concerns about the Dataset or these terms should be directed to Eric Paré Studio Inc. / Xangle.
